Legal No. 320 Opportunity to Comment on the Mt. Elden-Dry Lake Hills Recreation Planning Environmental Assessment The Coconino National Forest is seeking public comments on an environmental assessment for the Mt. Elden-Dry Lake Hills Recreation Planning Project. The proposed action includes: trail construction, trail relocation, re-routes and improvements, trail closure and removal of unauthorized trails, trailhead construction and improvements, improvements in the Mt. Elden Environmental Study Area, and identifying sideboards for special use events and appropriate trail systems for use in these events. The proposed project information and an environmental assessment are available on-line at: <https://www.fs.usda.gov/project/?project=38239>. Additional information regarding this project or the public comment period can be obtained from: Christine Handler, Environmental Coordinator, christine.handler@usda.gov, 559-920-2188. The proposed project is an activity implementing a land management plan and is subject to pre-decisional objection process at 36 CFR 218 Subparts A and B. How to Comment and Timeframe The opportunity to comment ends 30 days following the date of publication of this legal notice. Only those who submit timely and specific written comments §218.2 regarding the proposed project or activity during a public comment period established by the responsible official are eligible to file an objection §218.24(b)(6). For issues to be raised in objections, they must be based on previously submitted specific written comments regarding the proposed project or activity and attributed to the objector. The publication date of the legal notice in the newspaper of record is the exclusive means for calculating the time to submit written comments on a proposed project or activity. The time period for the opportunity to comment on a proposed project or activity to be documented with an environmental assessment shall not be extended. It is the responsibility of all individuals and organizations to ensure that their comments are received in a timely manner. For objection eligibility, each individual or representative from each entity submitting timely and specific written comments regarding the proposed project or activity must either sign the comments or verify identity upon request §218.24(b)(8). We request that you submit your comments online at <https://cara.ecosystem-management.org/Public/Comment> Input?project=38239. Attachments to comments must be submitted only in one of the following three formats: Microsoft Word, rich text format(rtf), or Adobe Portable Document format (pdf). Comments received in response to this initial request, including names, addresses, and any other information provided with the comments, will be considered a part of the public record and will be subject to the Freedom of Information Act and released if requested. If you are not able to access the online form, comments may also be submitted by regular mail to comments may also be submitted by regular mail to 5075 N. Highway 89, Flagstaff, AZ 86004; by fax at 928.527.8288; or hand delivered to the Flagstaff District Office at the above address between 8:00 am and 12:00 pm, Monday, Wednesday, and Friday, except holidays.
